

CAMP K UPDATES!

APRIL, 2024

Monthly Newsletter

STAFF CORNER

"I had so much fun at Camp K last summer! It was so interesting to meet both kids and adults from so many walks of life. I

loved being able to both teach and learn from the little ones last summer. I'm so excited to see what summer 2024 has in store for everyone at Camp K, as I know it will be amazing!"

-Neptune, second year

UPDATES

Greeting Camp K families, campers, staff & volunteers,

Updates this month include that we've filled 14 more weeks of summer camps since our last newsletter, which is awesome! We are so appreciative of everyone who has reached out to register for our programs to spend a week or more with us outdoors.

In March, we hosted our first annual Easter Egg Hunt at Camp K, which was loads of fun! We had over 35 families show up to enjoy the egg search, scavenger hunts, the bunny trail, face painting, egg drop activity with Adam, LEGOs, and an egg craft!

We also want to mention that we are officially fully staffed for our general counselor positions, but are still seeking someone to cover the medical side of things. Please see to the left the requirements/how to apply for this position if you know anyone.

That's all for now-- see you again for another update in May!
