

# CAMP K UPDATES!

MARCH, 2024

Monthly Newsletter

## STAFF CORNER

"Summer 2023 was the best time of my life! Being around diverse cultures was a great experience! I was allowed the privilege to work with some of the most amazing people in the world and care for the children. Not only did they learn from me, but I also learned from them and had crazy fun everyday! Coming back this summer will be an extension of last year's awesome experience!"

~Stacey, Jamiaca

## REGISTRATION UPDATES

Hello families & community members! We wanted to keep everyone in the loop about how AMAZING our open registration day went on Friday, 3/1!

Promptly at 7am, an estimated 150+ families hopped on to register! Many camps filled within minutes, and many more are almost full! It was a sight to see the email confirmations coming in at rapid speed, knowing that all of our hard work paid off for new programs and opportunities. We thank you for your dedication to our programs here at the Boothbay Y, and can't wait to see you all this summer!
