Monthly Newsletter

STAFF CORNER

"I'll be returning to summer camp this year, and I couldn't be more excited to be out on the water catching fish, playing all kinds of sports with the kiddos, and most importantly making sure they're just having a safe and fun time no matter what we are doing! I love seeing their personalities come out and how much they grow in such a short period of time."

-Adam, second year

UPDATES

Greeting Camp K families, campers, staff & volunteers,

Updates this month include:

- Our staff are starting their online learning in archery, lifeguarding, CPR/AED/First Aid, and ropes course certifications for our week of certification clinics. Upon their arrival, they will participate in the skills sessions with qualified instructors through the American Red Cross, Wingspeed & USA Archery. Most of these instructors are folks who work for the Y year-round and have grown their resume of skills to include instructor level certifications.
- Three weeks of our campers will be either hosting or traveling to our NEW collaboration with the YMCA Summer Camp of Maine & Camp Tracy for summer Olympics! Check out social media to find more information for Battleship, Gaga Tournaments, Archery & Ax Throwing, and Climbing!
 - Week 3: All Sports Campers HOST
 - Week 4: Baldwin 2/3 Campers @ Camp Tracy
 - Week 5: Teen Adventure @ Y Camp of Maine for a sleepover!

That's all for now-- see you again for another update in June!
