**CHILD CARE & FIT KIDS AFTER SCHOOL PROGRAM**

**CHILD ENRICHMENT**
Our child care programs for children six weeks to 3 years are designed to allow children to explore and create independently. Through observation, teachers design creative activities that teach skills needed to move your child to the next developmental stage.
Emily Sue Barker, Child Enrichment Director
ebarker@brymca.org 633-2855 ext.400

**HARBOR MONTESSORI**
We believe that a child from three to six years of age is an avid learner and we strive to foster creativity, curiosity and exploration within a traditional Montessori setting. The classroom is student-led while teachers take on a passive role, observing and providing guidance and lessons as opportunity arises.
Emily Sue Barker, Child Enrichment Director
ebarker@brymca.org 633-2855 ext.400

**FIT KIDS (WEDNESDAYS ONLY 7:30am-5:00pm)**
Fit Kids all day will be held at Camp Knickerbocker to help support working families whose children are not attending school on Wednesdays this year. Your child will enjoy all that Camp K has to offer with a focus on cognitive, social, and physical development, while enjoying the Maine outdoors. Prices vary depending on which school your child attends. Email Erin Gray for details at egray@brymca.org

Fit kids will look slightly different this year. Due to Covid-19 the Y has made some changes to ensure we are supporting as many families as possible. Pricing is reflected by duration of time a child stays in the program after travel from their school.

**FIT KIDS AFTER SCHOOL PROGRAM**
Mon, Tues, Thur, Fri
Fit Kids supports working families while fostering each child’s cognitive, social-emotional, and physical development through opportunities and experiences which focus on achievement, relationships and belonging.
Erin Gray, Senior Program Director

**NEW! DAWES GRANT**
Recently, our Fit Kids after-school program received funding to start focusing on cognitive development. The Chester & Muriel Dawes Charitable Foundation has generously funded a Full STEAM Ahead Program for the next three years. We are able to provide inquiry-based Science, Technology, Engineering, Arts, and Mathematics (STEAM) learning opportunities for our K-5 students to spark interest in deepening their knowledge of STEAM topics and exploring STEAM careers. We will provide a wide variety of hands-on enrichment opportunities and experiments. Each month will have a different theme, ranging from bacteria to floating & sinking!

The BRYMCA’s Year Round Food Program continues to expand! This fall, we added “Snacks at the Y” as a supplement to our grab n’ go meal service available to anyone in our community during all operational hours, no questions asked! We think it’s so important to make sure kids, members, staff, and our community knows that the fridge is there for all of us. Is your blood sugar low after working out? Are you feeling snacky after youth tennis? Do you need a pick-me-up post COVID vaccination? The Y is here to take the edge off.

Snacks, breakfasts, and lunches have also been added into rotation at the Harbor Montessori School & Child Enrichment Center and there’s an innovative new partnership in the works with the Boothbay Harbor Memorial Library. We can’t wait to continue serving you in 2021 and beyond!

Despite the fact that the Y’s traditional Penguin Plunge did not occur on January 1, 2021, more than $1,500 was still raised for The BRYMCA’s Water Safety Program through the generosity of several loyal donors. The Y has been working with Chief of Police, Larry Brown and this year’s honorees, Boothbay Principals Shawna Kurr and Tricia Campbell to launch an alternative, warm water “Seagull Splash” in the coming months. Stay tuned for upcoming information related to this reschedule!

The Boothbay Region YMCA is getting its big break! Tune into our new segment “What’s Happening at the Y?” where we’ll have guests speaking about what’s relevant, right here, and right now! You can catch us on Lincoln County Television Channel 7, the last Saturday of every month airing at 7:30pm EST or at LCTV.org. We also landed our own weekly column in the Boothbay Register, where we’ll be featuring program insights, staff spotlights, member interviews, and more! Find us in hard copy or at boothbayregister.com. Thank you for joining the conversation!
COMMUNITY DEVELOPMENT BLOCK GRANT

The YMCA Alliance of Maine is proud to announce that it is receiving $2.475 million in Community Development Block Grant (CDBG) funds to provide before/afterschool care scholarships to low-moderate income families across the state. These funds, received by the State of Maine through the CARES Act, will be used to provide important childcare, educational, and social emotional support for children during the ongoing COVID-19 pandemic.

The Alliance is working in partnership with the Maine Department of Economic & Community Development and the 16 YMCAs across the state to administer the funds. Families interested in learning more about the program, including the eligibility guidelines, should contact their local YMCA directly.

The YMCA Alliance of Maine supports collaboration amongst the state’s 16 Ys and community partners to increase our impact and advocate for positive change in our communities. Due to its unparalleled reach, the Y is a powerful advocate for our communities and familiar with the needs of the children, families, and individuals throughout the boothbay region.
